# GENERAL INFORMATION

## A. Dates

Starting from v0.6.0.0, you can now ask a character to go on a date. By dating them, you can unlock a new sex scene for that specific character in a specific location.

### Ask for a Date

To ask a character out on a date, you need to first meet the character, start a conversation, and then click the "Ask for a Date" button. Here is the list of available datable characters:

No	Name	Datable	Requirement
1	Akari Tsumugi	✓	Love > 30; Done 'Help Akari';
2	Meguri	✗	-
3	Suzumori Remu	✓	Love > 30; Done 'Bar Drink 2';
4	Suzu Honzo	✓	Love>30; Done 'Suzu's Conflict';
5	Saeko Matsushita	✗	-
6	Yuu Shinoda	✓	Love>30; Done 'Elevator Stuck';
7	Yume Nishimiya	✗	-

After selecting a character, you can choose the date and time. Here are the available time slots for a date:

No	Time
1	Tonight (19.00)
2	Tomorrow night (19.00)

Once you set the date, it cannot be changed or rescheduled. Therefore, make sure to choose a time you can commit to, or be prepared to cancel the appointment if necessary.

### Cancel the Date

If you have already set a date, you can still cancel it by following the same steps you used to set it up: meet the character, start a conversation, and then click the "Cancel a date" button. However, canceling the date will result in a loss of 2 love points for that character.

### Initiate the Date

You can start the date anytime between 2 hours before and 2 hours after the scheduled time by simply clicking the 'date' button in the action menu. The following table shows the bonus scores related to the initiation time:

No	Time Range	Bonus Date Score
1	17.00 - 18.59	+10 Point
2	19.00 - 19.59	-
3	20.00 - 20.59	-10 Point
4	21.00	-25 Point

Starting the date earlier than the appointed time will adjust the in-game time to match the date's scheduled time. However, no time adjustments occur if the date starts after the appointed time.

If you do not initiate the date within the specified time range, the date will be automatically canceled, resulting in a loss of 10 love points for that character.

Once the date begins, you have to choose the location for the date, which is currently limited to the bar.

Your goal during the date is to achieve a 100% date score within the designated time range (*Specifically, for night dates, between 19:00 and 23:59*). If the time exceeds the time range, you can no longer start conversations, except to exit and finish the date.

### **Date Activity**

During your date, there are various actions you can take based on the specific location. Below is a table outlining the available actions for each location during the date:

<b>Activity</b>	<b>Limit</b>	<b>Time</b>	<b>Date Score</b>	<b>Love Point</b>
Casual chat	1	+15m	+10 / -10 point	+1 / -1 point
Tell a joke	1	+15m	+10 / -10 point	+1 / -1 point
Give a compliment	1	+15m	+10 / -10 point	+1 / -1 point
Gossiping	1	+15m	+10 / -10 point	+1 / -1 point
Give a gift	1	+15m	+10 / -10 point	+1 / -1 point
Give a hug	1	+15m	+10 / -10 point	+1 / -1 point
Give a kiss	1	+15m	+20 / -30 point	+1 / -2 point
Playing pool together	1	+60m	+10 point	+1 point
Treat a beer	3	+30m	+10 point	+1 point
Treat a food	1	+60m	+10 point	+1 point

### **Conclude the Date**

After exiting and finishing the date, your score is calculated. A date score of 60% or below is considered a failure, resulting in a -2 Love Point deduction for the character you dated. A score above 60% is considered a success, earning you +1 Love Point. If you achieve a perfect score of 100% and have a love point of 40 or above, you can ask the character to continue to another location (*currently limited to your home*), where you can watch a sex scene with the dated character. Otherwise, the character will decline your invitation.

### **Date Misc**

For more details on the scenes, check the character section under dating scenes.

**Repeatable** : No

The scene begins with a meeting between Suzu and her manager. It turns out they are discussing an upcoming business trip. Not long after they began their discussion, I suddenly arrived, and it turned out that I was going to accompany Suzu on this business trip too.

The choice afterward only serves as miscellaneous and does not affect the game, so feel free to choose any option.

### 4. Business Trip 2

Later, as the story unfolds, you will be asked to choose between 2 options, which are:

**Repeatable** : Yes

There are a 4 stages in this scene, which are:

### Stage 1

While I was working in my room, Suzu suddenly entered, carrying a pile of documents from her senior meant for me. As she turned to leave, I stopped her and asked her to wait. One thing led to another, and we found ourselves caught up in a moment of steamy passion. Just as things were about to escalate further, a sudden knock on the door startled us—it was her senior. In a flurry, we hurriedly put our clothes back on, and Suzu quickly left the room.

**Result** : Suzu's Love +2; +2 Hours; Stage = 2;

---

### Stage 2

After the frustrating interruption during our last attempt to have sex, I invited Suzu back to my room to try again. This time, just as we finished foreplay and were about to move further, her senior came knocking on the door again. Unlike before, this time I quickly hid Suzu under my table before inviting her senior in. To my surprise, as I spoke with her senior, she teasingly began to give me oral sex, adding an unexpected twist to the situation.

**Result** : Suzu's Love +2; +2 Hours; Stage = 3;

---

### Stage 3

Seated in my office, I reached out to Suzu once again, calling her to come to my room for another round of intimate moments.

When Suzu arrives, I'm presented with 2 options:

- **Ask Suzu to come under the desk.**
- **Approach Suzu.**

No matter which option is chosen, the story will continue to progress, with only different scenes unfolding before the sex. Once the foreplay is complete, I'm then presented with another set of options to choose from:

- **Use cuffs and vibrator on her.** (*Requires Handcuffs and Vibrator*)
- **Go straight to sex.**

If you choose the first option and have both items in your inventory, an additional scene with Suzu will play out before the sex scene begins. However, if you don't have either of those two items or opt for the second option, the scene will skip directly to the sex scene. In this case, the stage will be considered failed, and you'll need to try again with the items prepared for the next attempt.

**Result** : Suzu's Love +2; +2 Hours; Stage = 4;

---

## Stage 4

Calling Suzu to come to my room for another round of sex, I was then presented with 2 options:

- **Ask Suzu to come under the desk.**
- **Approach Suzu.**

The scene will continue as it did in stage 3, until I am faced with two options to choose from:

- **Use cuffs and vibrator on her.** (*Requires Suzu's Pants*)
- **Go straight to sex.**

If you choose the first option and have 'Suzu's Pants' in your inventory, an additional scene with Suzu will play out before the sex scene begins. This additional scene will differ from Stage 3. However, if you don't have 'Suzu's Pants' or opt for the second option, the scene will skip directly to the sex scene. In this case, the stage will be considered failed, and you'll need to try again with the items prepared for the next attempt.

**Result** : Suzu's Max Love = 55; Suzu's Love +2; Suzu's Level = 6; +2 Hours;

---

**Final Result** : Depending on your selection;

## 6. Suzu's Conflict

---

As Dom was passing by the office on his way to the meeting room, he overheard a commotion. Curious, he realized it was an argument between Suzu and Yujin. Intrigued, Dom stopped to listen in. Moments later, as the tension between them escalated and Yujin appeared ready to strike Suzu, Dom quickly stepped in to stop him. At this point, 2 options are available:

- **Attack Yujin.** (*+1 Suzu's Love Point if Physique  $\geq$  25; otherwise -1 Suzu's Love Point*)
- **Stop Yujin.**

Regardless of the choice, the story continues, though the subsequent conversation will differ slightly.

Shortly after the conflict, Remu appeared, recording what Yujin was doing. At the same time, several people emerged from the meeting room, walking toward the scene. Seeing this, Yujin backed off and left the area without another word. Suzu then thanked Dom briefly but walked away without offering any explanation. Luckily, Remu know something and she shared a rumor about Yujin before we parted ways, shedding some light on the situation.

## B. Side Story Event

### 1. Suzu Meeting Sex1

---

**Requirement** : Done "Under the Table"; Participate in a meeting; Suzu present in the office; Suzu's Love  $\geq 50$ ; Monday/Wednesday/Friday; Not done this today;

**Repeatable** : Yes

#### Stage 1

Feeling bored and on the verge of dozing off during a long meeting, I suddenly jolted awake when I felt something pressing against my crotch. It turned out to be Suzu, who was equally bored as I was and decided to tease me in this way. Once the meeting ended and everyone left, I waited a moment for my arousal to settle before getting up. But before I could, Suzu stood up first, locked the door, and leapt on me, kissing me passionately. Matching her excitement, we shared an intimate moment afterward.

**Result** : Suzu's Love +2; +2 Hours; Stage = 2;

---

#### Stage 2

During the meeting, Suzu suddenly pressed her foot against my crotch. This time, she asked me if I was interested in doing something intimate after this. At this point, I had 2 choices I could choose from:

- **Push her foot away.** (End the scene)
- **Agree to have sex.** (Continue to the sex scene)

If you push her foot away, the scene ends there. If you haven't completed the scene yet before, it will count as failed, and you'll need to replay the scene and choose the second option. But if you agree to have sex with her, the scene continues until the meeting ends and everyone leaves, leaving only Suzu and me there. At this point, I have another choice I must make:

- **Begin with foreplay.**
- **Have sex right away.**

Choosing 'have sex right away' will skip the foreplay if you have lubricant in your inventory. However, if you don't have lubricant or choose the second option, the scene will automatically play the foreplay scene first before progressing further.

**Result** : Suzu's Love +2; +2 Hours;

---

**Final Result** : Depending on your selection;

## 2. Suzu Meeting Sex2

---

### Stage 1

**Requirement** : Done "Suzu Meeting Sex1"; Meeting Room; Suzu is present in the Meeting Room; Suzu's Love >=50; Monday/Wednesday/Friday; Not done this today; Stage = 1;

**Repeatable** : Yes

As Dom passed by the meeting room, he noticed Suzu inside, busy sorting through a stack of documents. At this point, you had 2 choices:

- **Approach her.** (Continue to the sex scene)
- **Leave her be.** (End the scene)

Choosing to 'leave her be' ends the scene. However, if you choose to approach her, Dom stepped into the room and offered to help Suzu, on the condition that she agreed to some intimate moments. After a moment of thought, she agreed and jumped on Dom to kiss him before he could even close the door. To Dom's surprise, she actually suggested that they leave the door open this time to add more excitement and a thrilling experience. Dom agreed, and they continued to have sex in the meeting room with the door open.

**Result** : Suzu's Love +2; +2 Hours; Stage = 2;

---

### Stage 2

**Requirement** : Done "Suzu Meeting Sex1"; Ask Suzu for sex in conversation; Suzu is present in the office; Suzu's Love >=50; Not done this today; Stage = 2;

**Repeatable** : Yes

Knowing Suzu isn't busy at the moment, Dom asks her to follow him to share an intimate moment together. At this stage, you can choose where to go:

- **Have sex in the meeting room.**
- **(WIP)**

Selecting 'Have sex in the meeting room' prompts Dom to take Suzu to the meeting room (if they aren't already there). Once inside, Dom wastes no time suggesting they get started right away. Hearing this, Suzu agrees, stands up, and moves to close the door. At this point, you have 2 options:

- **Let her.** (Continue with door closed)
- **Stop her.** (Continue with door opened)

Choosing 'Let her' prompts Suzu to close the door, and the scene will proceed with the door shut. If you choose 'Stop her', Dom will prevent her from closing the door, and the scene will continue with the door remaining open. Neither option will stop the scene from proceeding. Next, Dom has another choice to make:

- **Do foreplay.**
- **Go straight to sex.**

If you have lubricant and choose 'Go straight to sex', the scene moves directly to the sex sequence. But if you don't have lubricant, Suzu will become a bit upset and insist on doing foreplay first. Similarly, selecting 'Do foreplay' will naturally lead to foreplay as well. Either way, the scene progresses until the intimate moment is finished, and they leave the meeting room.

**Result** : Suzu's Love +2; +2 Hours;

---

**Final Result** : Depending on your selection;

## C. After Date Event

### 1. After Date (Home)

---

**Requirement** : Done 'Suzu's Conflict'; Achieve a dating score of 40 or higher; Suzu's Love  $\geq$  40;  
**Repeatable** : Yes

After a successful date with Suzu, Dom invites her back to his place. Once they arrive, the two share a deeply intimate moment, strengthening a bond that only lovers can understand. As the mood intensifies, Dom is presented with the following choices:

- **Do Foreplay.** (*Continue to the foreplay scenes;*)
- **Skip Foreplay.** (*Skip to the sex scenes; Requires a condom;*)

If Dom has a condom, the 'Skip Foreplay' option becomes available, allowing the scene to transition straight into the sex scenes. Without a condom, the foreplay scenes will play out first before moving on to the sex scenes. If this event has been played 3 or more times, an additional choice will appear when Suzu begins leading Dom to his room:

- **Agree.** (*Triggers Foreplay Scene 1;*)
- **Refuse.** (*Triggers Foreplay Scene 2;*)

Regardless of which path is taken, once Dom reaches the sex scene, he'll be able to select from a variety of positions. Each position has its own unlock requirements, as shown in the table below:

Sex Position	Requirement
Cowgirl	-
Reverse Cowgirl	-
Doggy	Done the scene 1 time
Doggy (Standing)	Done the scene 2 times
Missionary	Done the scene 3 times

After Dom climaxes, he can choose to either continue having sex (until his energy runs out) or end the sex at any time.

Once it's over, Suzu will ask if she can stay the night. At this point, Dom will be given the following choices:

- **Let her sleep over** (*Suzu's Love +2*)
- **Turn her down** (*Suzu's Love -1*)

---

**Result** : Suzu's Love (Depending on your selection); Time skips = Tomorrow, 08:00;

When the time for the photoshoot trip arrived, we proceeded to the location and began preparing shortly after our arrival. After finishing our photoshoot, we went to the inn to spend the night. While relaxing there, I realized that Akari hadn't returned yet, as she had mentioned wanting to inquire about her forgotten belongings at the shoot location.

Here, I have 2 options I can pick:

- Looking for Akari
- Remaining here (*This path is not available at the moment, please try again later.*)

If I choose to look for Akari, I will find her in a room under strange circumstances. Suspecting someone I know is behind this, I schemed and vented in the bathroom, knowing they would return soon. After my scheming worked, I brought Akari back to my room, trying to calm her down from the ordeal she had just gone through.

The next morning, knowing it was our departure day, I decided not to return that day but the next day instead. Despite her initial hesitation, Akari was persuaded by my desire, and we ended up staying one more night at the inn to enjoy some moments together.

As I reflected on the situation, I felt a surge of anger toward her Director and Manager for their scheming. This anger then sparked a determination in me to devise a plan for revenge against them.

- **Have sex.** (Akari's love +2; Continues scene; +1 hour;)
- **Refuse.** (Akari's love -1; Ends scene;)

If you agree to have sex, the scene will progress to foreplay. If you have a lubricant item in your inventory, you can bypass foreplay and proceed directly to penetration. If you don't, you'll need to complete the foreplay before moving on. Once you reach the penetration stage, another choice will appear as follows:

- **Use condom.** (Requires condom;)
- **Go raw**

Opting for the 'Raw' option when Akari's love is below 50 will lead her to refuse and insist on using a condom. If you have one ready, the condom will be used automatically, and the scene will continue. Otherwise, Akari will be displeased, resulting in the end of the sexual encounter and concluding the scene.

Once the sex is over, you have the option to go for another round, unlocking an additional scene that becomes available only after finishing the previous level.

At the end of the sex scene, Dom will have another set of choices:

Lastly, picking the 'Suggest a quickie~' option leads Dom to propose taking a bath together while playfully asking Remu to help him with something at the same time.

---

**Result** : Depends on your selection;

## 5. Bedroom Sex 1

---

**Requirement** : Remu has moved in; Remu's sleeping in her room; Remu's bedroom; Remu's talkable; Not done today;

---

### Stage 2 – Wake Up Remu (2<sup>nd</sup> Attempt)

One night, MC enters Remu's room while she's asleep. At this point, MC has 3 choices:

Choosing this option makes MC gently shake Remu until she wakes up.

If MC has completed 'Remu - R07 Office Sex 2 - Stage 4' and has Remu's Love  $\geq 40$ , she'll agree to MC's suggestion for a quickie, leading to a sex scene. But if the condition isn't met, Remu will reject the idea and tell MC to leave.

**Result** :

**If Success** → +90 minutes; Remu's Love +2;

**If Failed** → +30 minutes; Remu's Love -2;

- **Touch her while she's asleep**

Choosing this option makes MC start touching Remu while she sleeps. Eventually, MC will be given two more choices:

- **Continue**
- **Leave the Room**

Choosing Leave the room makes MC stop and exit quietly. While choosing Continue makes MC act more daring to take advantage of Remu. In this part, Remu now has a chance to wake up depending on MC's actions. Each actions will increase the probability. The bolder MC actions the more probability Remu will get up.

If MC doesn't leave the room and Remu wakes up, her reaction will depend on 2 conditions. If MC has completed 'Remu - R07 Office Sex 2 - Stage 4' and has Remu's Love  $\geq 40$ , she'll agree to help MC with his urge, leading to a sex scene. But if the condition isn't met, Remu will get seriously upset and shout at MC, forcing him to leave right away.

**Result** :

**If MC leave before Remu wakes up** → +30 minutes;

**If Remu wakes up & Condition fulfilled** → +1 hour; Remu's Love +2;

**If Remu wakes up & Condition not fulfilled** → +1 hour; Remu's Love -15; Remu's upset for 3 days;

- **Leave the room**

Choosing this option makes MC quietly leave without doing anything.

---

### **Stage 3 – Wake Up Remu (Repeatable)**

Choosing this option makes MC gently shake Remu until she wakes up and has 2 options:

- **Do Foreplay** (Proceed to Foreplay scene;)
- **Leave the Room** (Skip to Main scene; Requires Lubricant;)

No matter the choice, the scene will progress as usual until MC is given 2 more options:

- **Use a condom** (Requires Condom;)
- **Go raw** (Requires Remu's Love  $\geq$  50;)

If MC tries to go raw without enough Love, Remu insists on using a condom. If MC has a condom, the scene will continue. But if MC doesn't have a condom, Remu will give him one with the consequence of -2 Love points.

**Result** : +90 minutes; Remu's Love +0 or +2 (Depending on MC's choices)

- **Touch her while she's asleep**

Choosing this option makes MC start touching Remu while she sleeps. At this point, Remu now has a chance to wake up depending on MC's actions. Each action increases the probability. The bolder MC's actions, the higher the chance Remu will wake up. Or MC can simply wake her up. To progress, Remu needs to wake up, and MC will ask for her help, which she'll agree to, leading to a sex scene.

**Result** :

**If MC leaves before Remu wakes up** → +30 minutes;

**If Remu wakes up** → +1 hour; Remu's Love +2;

- **Leave the room**

Choosing this option makes MC quietly leave without doing anything.

However, during their conversation, Dom received information that a former employee named Seiji had worked at the office but was fired after having a conflict with Yujin.

Recognizing the resemblance to what Rumor Remu had mentioned, Dom shared the rumor with Yuu, which caused her to be shocked for a moment before she returned to normal and promised Dom that she would dig into the truth about Seiji. Arriving at Meguri's place, Dom noticed that she seemed different from her usual self. It turned out that Mano couldn't make it to dinner again and had to stay overnight at the hospital, leaving Dom and Meguri to dine together. Feeling bad about the situation, Dom offered to help, and Meguri asked him to bring a used cup from Mano's study. Dom agreed without hesitation.

While in Mano's study, Dom found himself reminiscing about the past. However, in the middle of his thoughts, he accidentally knocked over a stack of books, sending them tumbling to the floor. As he bent down to pick them up, he discovered something hidden inside one of the books—something that shocked him. But not wanting to raise any suspicion, he quickly put it back where he found it and grabbed the cup and left for dinner.

After dinner, Meguri invited Dom to stay the night and watch a movie together. At first Dom felt reluctant, but he immediately agreed once Meguri promised something. However, partway through the movie, Meguri suddenly passed out, leaving Dom with no choice but to carry her to her room before heading to his own to sleep.

Later that night, as Dom slept, Meguri unexpectedly entered his room and did something bold. So bold that Dom couldn't hold back, allowing his desires to take over and lead to intimate moments.

Once their first round was over, Dom could continue up to 5 more times before running out of condoms. Additionally, depending on the position in which Dom finishes, an extra scene will be unlocked.

### Stage 1

**Requirement** : 1 day after completing "Saeko Need Help?"; Saeko's love  $\geq 40$ ; Anywhere in the house; 17.00 – 19.00; Sunday; Stage = 1;

**Repeatable** : No

One evening, after Saeko arrived, Akari shared something unexpected. She revealed that she had been receiving spam messages from a stranger on social media for the past few days before finally blocking him. Hearing this, Saeko reassured her that she had done the right thing and advised her not to stress over it.

After their brief conversation, they cleaned the house together, had dinner, and eventually decided to end the night with Saeko staying over.

Later that night, after Akari returned from Saeko's room, she and Dom were about to have sex. However, before proceeding, Dom could choose from the following options:

- **Do foreplay.**
- **Go straight to sex.** (*Must have lubricant; Skip foreplay;*)

If Dom chooses "**Go straight to sex**" and has lubricant, the scene will skip directly to the sex scene. However, if he doesn't have lubricant or chooses "**Do foreplay**", the foreplay scene will play first.

At the end of the sex scene, Dom will have the following options:

At the end of the sex scene, Dom will have the following options:

- **Have sex again.** (*Repeat the sex;*)
- **End the sex.**

If Dom selects the first option, the sex scene will repeat. If he chooses to end it, the scene will conclude. Afterward, Dom will get up to grab a drink, only to be surprised when he notices that the door is open again and there is another puddle on the floor. This makes him realize that he needs to do something about it.

**Result** : Saeko's Love +2; Akari's Love +2; Time skip = +1 day 07.00; All needs fulfilled; Stage = 2;

---

## Stage 2

**Requirement** : 1 day after completing "Saeko Need Help?"; Saeko's love  $\geq$  40; Anywhere in the house; 17.00 – 19.00; Stage = 2; Not done this today;

**Repeatable** : Yes

To start this scene, Dom must invite Saeko to dinner again, either by calling her or speaking to her in person. If Dom has accumulated enough Love Points with Saeko, she will accept the invitation. Otherwise, she will decline, and Dom must try again the next day.

If Dom is at home between 17:00 and 19:00, the scene will proceed with them having dinner together, eventually leading to Saeko staying over for the night. However, if Dom forgets or arrives past 19:00, Saeko will become upset and call to complain, ending the scene. As a consequence, both Saeko's and Akari's Love Points will decrease by 2.

Later that night, after Akari returns from Saeko's room, Dom and Akari decide to have sex, presenting the following choices:

- **Do foreplay.**
- **Go straight to sex.** (*Must have lubricant; Skip foreplay;*)

If Dom selects 'Go straight to sex' and has lubricant, the scene will transition directly to the sex scene. However, if Dom doesn't have lubricant or chooses 'Do foreplay', the foreplay scene will play first.

At the end of the sex scene, Dom will have another set of choices:

- **Have sex again.** (*Repeat the sex;*)
- **End the sex.**

If Dom chooses the first option, the sex scene will repeat. If he selects the latter, the encounter will conclude. Afterward, Dom heads to grab a drink, only to be startled by the sight of the door left open and yet another puddle on the floor.

If Dom hasn't installed a CCTV in the living room, the scene will simply end with Dom returning to his room. However, if the CCTV is installed, a new scene will trigger before the night ends. Completing this additional scene is necessary to fully progress to the next part of the story.

---

**Result** : Saeko's Love +2; Akari's Love -2; Time skip = +1 day 07.00; All needs fulfilled; Stage = 3;

They chatted for a bit, and during the talk, Miu asked Dom if he could help her find a job. Dom thought about it for a while and suggested she could help around the house now and then, which Miu agreed to.

- **Walk Away.** (*End the scene*)
- **Keep Watching.** (*Get sex scene;*)

Choosing 'Walk Away' will have Dom return to his room and end the scene. On the other hand, choosing 'Keep Watching' leads to Dom spying on Mason and Miu during an intimate moment, unlocking a sex scene before he eventually retreats to his room.

**Result** : Unlocks 'Quid Pro Quo'; +2,5 Hours;

#### --- Notes ---

The following Monday, when you visit the office after completing this stage, your weekly work quota will begin at -100%. You must raise it to 100% by the end of the week for it to return to normal. # Mary Tachibana

## A. Main Story Event

### 1. Unexpected Encounter

---

#### Stage 1 - Meeting Mary Again

**Requirement** : Completed "Suzu - Business Trip 2"; Completed "Saeko - Saeko's Past"; Akari has moved in; Remu has moved in; Office Rank  $\geq$  5; 7 days after "Suzu - Business Trip 2"; Days played  $>$  30; Living Room; 11:00 - 14:00; Weekdays;

**Repeatable** : No;

One afternoon, after returning home, MC found the living room in a complete mess. It turned out Mary, MC's mother, had caused it while searching for her belongings. Their talk quickly grew tense, but Mary ignored MC and left, leaving the room messy and MC upset.

**Result** : Unlocks "Unexpected Encounter - Stage 2"; Unlocks Mary's Information; Unlocks CCTV Camera in Hardware Store; +1 hour;

---

#### Stage 2 - Mary's Schedule

**Requirement** : Completed "Meeting Mary Again - Stage 1";

**Repeatable** : No;

After the last incident, MC decides to uncover what Mary is up to in his house. There are 3 ways to do that:

##### 1. CCTV Route

To unlock this route, MC must first install a CCTV in the living room. If MC hasn't installed one, he must buy it from the hardware store and then go to the Living Room first. Checking the CCTV will take 1 hour and can only be done when MC is outside the house (including the street) between 08:00–16:00. If Mary appears on the CCTV, a scene will play and MC must return home immediately.

##### 2. Miu Route

This route requires Miu to move into the house and for MC to complete "Miu – Mason's Arrival" until the end. After meeting this condition, talk to Miu and ask for her help with Mary (takes 30 minutes). Miu will call MC once Mary is spotted inside the house between 10:00–14:00 on weekdays, but only if MC is not at home. If MC misses the call, the event will not progress and Miu will call again on another day when Mary is spotted again.

##### 3. Blindman Route

This route requires MC to know Blindman and have at least \$800. After meeting this condition, talk to Blindman in the Back Alley and pay for his service. Blindman will start the next day and will call MC if Mary is spotted between 10:00–16:00 on weekdays, but only if MC is not at home. If MC misses the call, the event will not progress and Blindman will call again on another day when Mary is spotted again.

--- Notes ---

Mary's visits are randomized, but she only comes to MC's house on weekdays. There is a 40% chance she will appear, and when she does, it will be during one of these time slots: (10:00–12:00), (12:00–14:00), or (14:00–16:00). If MC is in the Living Room or Bedroom when Mary arrives, she will immediately leave. This cancels the chance to meet her that day, and the event will only reset on the next day.

**Result** : Unlocks "Unexpected Encounter - Stage 3"; (Varies depending on route and choices);

---

**Stage 3 - Confront Mary?**

**Requirement** : Completed "Meeting Mary Again - Stage 2"; Street; 08:00 - 17:00;

**Repeatable** : Yes

After discovering Mary inside the house, MC quickly rushed back home, only to see her leaving. Curious, MC decided to tail her. After some time, Mary came to a stop and entered a house, leaving MC confused. Suddenly, a man called out to MC from behind, who turned out to be Tony, Suzu's manager. During their conversation, MC learned that Tony is Mary's fiancé, and starting today, they will be living together.

**Result** : Unlocks "Mary's Secret - Stage 1"; Unlocks "Tony's House & Street (South)"; +2 hours;

## 2. Mary's Secret

---

### Stage 1 - Intel Gathering

**Requirement** : Completed "Mary - Unexpected Encounter"; Office Rank  $\geq$  5;

**Repeatable** : No;

After discovering that Mary is Tony's fiancée, MC starts gathering information in the office. To proceed, MC must talk to Suzu, Yuu, and Remu about Tony. Each conversation takes 30 minutes. After speaking with all three, MC realizes the information he has is still far from enough and decides to investigate Tony's neighbor for more details.

**Result** : Unlocks "Mary's Secret - Stage 2"; +90 minutes (If talked to everyone);

---

### Stage 2 - Tailing Mary 1

**Requirement** : Completed "Mary's Secret - Stage 1"; 1 day after " Mary's Secret - Stage 1"; Office Rank  $\geq$  5; Tony's Front House; 11:00 - 15:00; Weekdays;

**Repeatable** : No;

Right as MC approached Tony's place, he spotted Mary rushing out of the house, heading in the opposite direction. Curious, MC decided to follow her, which led him to a café in Downtown. While MC sat with a coffee to observe, a fat middle-aged man appeared and joined Mary at her table. They chatted warmly and acted like a couple. Shocked, MC watched until the two stood to leave, forcing him to choose between two options:

- **Follow Mary**
- **Follow the Middle-aged Guy**

If MC follows Mary, she will return straight to her house. If MC follows the man instead, he'll discover the man's name is Yasuo and uncover more information about him.

**Result** : Unlocks "Mary's Secret - Stage 3"; +3 hours;

---

### Stage 3 - Tailing Mary 2

**Requirement** : Completed " Mary's Secret - Stage 2"; 1 day after " Mary's Secret - Stage 2"; Office Rank  $\geq$  5; Mary goes out (40% chance); Tony's Front House; 11:00 - 15:00; Weekdays;

**Repeatable** : No;

MC tails Mary and spots her meeting the guy at the café again. This time, instead of just watching, MC secretly takes photos of them together to use as leverage. After MC finished taking the photos, the two stand to leave, and MC chooses to follow the person he didn't choose last time. The chance of Mary going to meet the guy is 40%, and this probability resets every weekday.

**Result** : Unlocks "Trapped - Stage 1"; +3 hours;

### 3. Trapped

---

#### Stage 1 - Yasuo's Owed Dinner

**Requirement** : Completed "Mary - Mary's Secret"; 1 day after "Mary - Mary's Secret"; Office Rank  $\geq$  5; Office Canteen; 13:00 - 15:00; Weekdays;

**Repeatable** : No;

With leverage over Mary, MC approaches Tony one afternoon while he's having a late lunch in the office canteen. MC reminds Tony about the dinner he promised and suggests having it at Tony's place, to which Tony agrees warmly.

**Result** : Unlocks "Trapped - Stage 2"; +1 hour; Satiety +70;

---

#### Stage 2 - Dinner Twist

**Requirement** : Completed "Trapped - Stage 1"; 1 day after "Trapped - Stage 1"; Office Rank  $\geq$  5; Tony's House; 18:00 - 21:00; Weekends;

**Repeatable** : No;

One weekend night, MC goes to Tony's house for the promised dinner. Mary is surprised to see MC as the guest, but her surprise quickly turns into fear when MC mentions the photo he secretly took of her at the café. MC then threatens Mary to call him later and explain what she was doing at his place back then if she doesn't want the photo sent to Tony.

**Result** : Unlocks "Trapped - Stage 3"; +3 hours; Satiety +70;

---

#### Stage 3 - Turn the Tables

**Requirement** : Completed "Trapped - Stage 2"; 6 days after "Trapped - Stage 2"; Anywhere outside House Area; Answer a call from an unknown number; 11:00 - 14:00; Weekdays;

**Repeatable** : No;

One noon, when MC returns to his room, he is shocked to find it completely messy. Inside, he discovers Mary sleeping on his chair, causing him to confront her and demand an explanation. But instead of giving an explanation, Mary turns the tables by using her new leverage to threaten MC. Mary warns MC not to make a wrong move, or things could end badly.

At this point, MC has 2 choices:

- **Wait for another opportunity.** (+2 hours)
- **Try to trick Mary (blackmail).** (+4 hours; Get sex scene (Incest Content);)

Choosing "Wait for another opportunity" will let Mary leave just like that, ending the scene immediately. On the other hand, choosing "Try to trick Mary" makes MC bluff her into staying, forcing her to follow his demands, which leads to a sex scene and unlocks Inc\* content.

**Result** : +2 or +4 hours (depending on choice);
